## ● ABOUT ME

My name is Mohamed Amine Jmal, a second-year student in the preparatory classes for Mathematics, Physics, and Computer Science (MPI) at the Higher Institute of Computer Science and Multimedia of Sfax (ISIMS), Tunisia. Passionate about web development, I specialize in building full-stack applications using JavaScript, TypeScript, Node.js, React, and PostgreSQL. I also have a strong interest in cybersecurity and ethical hacking. Currently, I work as a freelance full-stack developer, delivering various projects for clients. My goal is to continue growing in the field of development and to explore innovative solutions in Big Data.
